Applicant has recently discovered that small entity status was lost by the assignee in the

above referenced application on April 1, 2003 and small entity fees were paid after that date.

This error in current status was made in good faith. Applicant has paid fees associated with the above referenced case believing themselves in good faith to have been entitled to small entity status after that time.

In order to comply with the requirements for correcting the deficiency of payment in the above referenced case, included below is a table showing (A) the type of each fee erroneously paid as a small entity and the current fee for a non-small entity, (B) the amount actually paid for each fee and the date of payment, (C) the deficiency owed for each fee, and (D) the total deficiency owed in accordance with 37 C.F.R. 1.28(c)2. Also enclosed herewith is a Request to charge a credit card in the amount of \$210.00 as required to pay for the deficiency calculated under 37 C.F.R. 1.28(c)2, and shown below.
